For the attention of Parents and Carers

Dear Parents and Carers

Consultation - Mobile Phone Policy

The Department for Education (DfE) published new guidance on **19 January 2026** regarding the use of mobile phones in schools ([Mobile phones in schools - GOV.UK](#)).

In response, the school is currently reviewing and updating its Mobile Phone Policy to ensure it aligns with this new guidance. Before drafting the updated policy, we would like to invite feedback from parents and carers on the key points outlined in the guidance.

Your views are important to us and will help inform the development of a policy that best supports our school community.

Please take a few moments to complete the Microsoft Form using the link below and submit your feedback by **Friday 17th April**.

Yours faithfully,

NICK HAWKINS
Assistant Headteacher
