For the attention of Parents and Carers

Dear Parents and Carers,

In 12 months we have gone from sending pupils home during a pandemic, welcoming refugees due to war in Europe, food prices and petrol prices rising and now enduring the highest temperatures the country has ever experienced. We live in very interesting times.

During these tumultuous times, I am very lucky to work with not only positive, bright and forward looking students but also with a hard working Campion Staff team. I would also like to take this opportunity to thank all our community for supporting our students and their families this year.

We have recently opened our brand new Sports Hall which the pupils have enjoyed using and over the summer our new Sixth Form block will be finished and we are looking forward to sharing this with pupils and parents in the new academic year. We are very fortunate to be able to offer our pupils such modern facilities to further support their learning and engagement.

In September we welcome another 210 Year 7 pupils and the school will be oversubscribed in all our year groups. The growing popularity of the school is something we can all be proud of – especially our students. In the past few weeks I have seen concerts, productions, sports day and sports awards. I have seen pupils from right across the school get on stage for our performance day.

I was particularly impressed by Years 10, 11 and 13 during the examination season. All our pupils worked incredibly hard and I am very confident that their grades will reflect this. Well done to all of our Year 7 pupils, who came into the school without having the full experience of Years 5 and 6. They have adapted to life in 'big school' very well and I look forward to seeing them thrive in the coming years.

As we look forward to the new academic year, I attach the Parent Guide 2022 for your information, but would highlight the following arrangements for September opening.

**Uniform**

Please refer to the Parent Guide 2022 to ensure that you have the correct uniform for your child's first day back - we will be inspecting uniform on the first day. As always, coloured hair and extreme haircuts are not permitted at school. Please could you also ensure that your child has a full set of equipment in their pencil case. More detail about aspects of school life is available on our website and in our Parent Guide 2022.

I wish you all a happy and restful summer and look forward to welcoming our pupils back in September.

Yours sincerely
