For the attention of Year 11 Parents or Carers

Dear Parent or Carer

Y11 – Mock Exams: Term 1

Over the course of the next year, your child will take part in a number of mock examinations, in order to prepare them so they can achieve the highest grades possible this summer.

I have enclosed the timetable for the mock examinations this term, commencing from Monday 23rd October. Their results and attitude throughout are very important, as they will allow teachers to see where students need to improve for the summer. As such, please ensure you child is taking these seriously and support them in having time and space to revise ahead of each exam.

We are very pleased with their English Literature results, with many students exceeding their target grades. The summer examinations will be tougher as they will have more to revise and have to balance multiple subjects. We do however believe with your and our support, the students can go on to achieve even better results. Many students now need to be pushing themselves towards grades 7, 8 and 9 and not settling for 4, 5 or 6's.

Summer Exams

Please ensure your child is available and **not** on holiday up to and **including Wednesday 26th June**. This will ensure they are available for all examinations and contingency days.

Key Events

- Sixth Form open evening is on **Thursday 26th October**.
- Year 11 parents evenings are on the 28th September and the 14th March. We do want to meet all our parents this year and in particular the 2nd parents evening is important as we will be giving exam timetables out.

If you have any questions or comments, please do not hesitate in contacting me at the school.

Kind regards

Peter Forsey
Deputy Headteacher
