

## **CAMPION SCHOOL**

### **ASPIRE ENGAGE ACHIEVE**

#### Co-opted Governor vacancy

Campion School has a vacancy for a co-opted governor to join our governing body. Anybody can apply for this role and it is not restricted to parents of pupils at the school. As a governor we would like you to have the skills required to contribute to the effective governance, aims and success of the school.

Governing bodies have a strong focus on three core strategic functions:

- Ensuring clarity of vision, ethos and direction
- Holding the headteacher to account for the educational performance of the school and its pupils, and the performance management of its staff
- Overseeing the financial performance of the school and making sure its budget is invested effectively.

Governors are strategic leaders within schools and have a vital role to play in making sure every child receives the best possible education. The role of the school governor can be demanding, but, ultimately, very rewarding and is a great way to 'give back' to your local community.

Governors perform the most important voluntary role in education and a full and diverse governing body can be a source of enormous strength to a school.

As a co-opted governor we are looking for someone with skills within one, or both, of the following areas:

- Knowledge, background or experience within finance or finance related including budgets, and accounting.
- Knowledge, background or experience within various aspects related to Risk Management and Health and Safety.

Desirable, but not essential, criteria:

Knowledge and background within an educational setting; secondary or primary school.

Has knowledge of school curriculum, school reports, school process and procedures, Ofsted or previous Governor expertise.
