Year 9

1. Biology Paper 1 – Topic 1
Autumn Term 1
Cells and Organisation

2. Assessment Window 1 (Formal)
Assessment to cover B1 Topic 1 Content

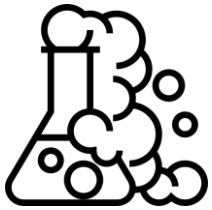

B1 Topic 1 Assessment mark: _____

Grade: _____

3. Biology Paper 1 – Topic 2
Autumn Term 2

Disease and Bioenergetics

5. Chemistry Paper 1
Spring Term
Atoms, Periodic Table, Bonding, Metals and Salts, Electrolysis and Energy changes

Optional C1 Assessment mark: _____

Grade: _____

4. Assessment

Assessment to cover B1 Content

B1 Assessment mark: _____

Grade: _____

6. Physics Paper 1
Summer Term
Start - Energy, Electricity, Particle Models of Matter, Radioactivity

7. Assessment Window 2 (Formal)

Assessment to cover C1 Content

C1 Assessment mark: _____

Grade: _____

CAREERS: At every available opportunity, teachers will introduce and promote careers links to the topics being studied (See Careers booklets).

Year 10

1. Physics Paper 1 Retrieval
Complete Physics Paper 1 and do retrieval

2. Assessment Window 1 (Formal)
Assessment on Physics Paper 1

P1 Assessment mark: _____

Grade: _____

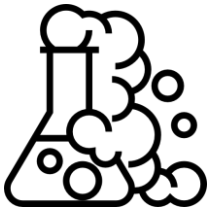

4. Assessment

Assessment on Chemistry Paper 2

C2 Assessment mark: _____

Grade: _____

3. Chemistry Paper 2
Rates, Equilibrium and Organic Chemistry
Analysis and Earths Resources

5. **Biology Paper 2**
February - July
Biological Responses, Ecology, Genetics and Reproduction,

6. Assessment Window 2 (Formal)

Chemistry Paper 1 Mock

C1 Assessment mark: _____

Grade: _____

CAREERS: At every available opportunity, teachers will introduce and promote careers links to the topics being studied (See Careers booklets).

Year 11 – Pupils will do additional papers outside of assessment windows and outside of the mock calendar

1. Biology Paper 2 Retrieval

Complete Biology Paper 2 and do retrieval

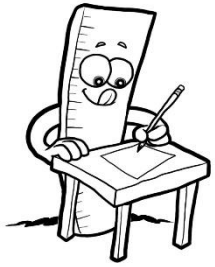

2. Physics Paper 2

September – January

Forces in Action

Waves, Electromagnetism and Space

3. MOCK EXAMS

Biology Paper 2 (Sept)

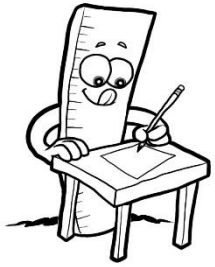

Chemistry Paper 1 (Oct)

Biology Paper 1 (Nov) – Formal assessment

B2 mark: _____Grade: _____

C1 mark: _____Grade: _____

B1 mark: _____Grade: _____

5. MOCK EXAMS

Physics Paper 1 (Jan)

Physics Paper 2 (Feb)

Chemistry Paper 2 (March) - Formal Assessment

P1 mark: _____Grade: _____

P2 mark: _____Grade: _____

C2 mark: _____Grade: _____

4. Revision

Feb – April

In class revision starts to revise content and practice exam questions on all 6 science papers

6. Boosters

April - June

CAREERS: At every available opportunity, teachers will introduce and promote careers links to the topics being studied (See Careers booklets).
